15TH ANNUAL TRAUMA AND SPORTS MEDICINE SEMINAR
SNOWMASS, COLORADO • MARCH 12-19, 1994
Sponsored by the University of Pennsylvania School of Medicine
Course Chairman
R. Bruce Heppenstall, M.D.

An internationally renowned faculty will present a broad range of topics designed for physicians in Orthopaedic Surgery, Physical Medicine, and Physical Therapy whose practice includes care of patients with musculoskeletal injuries. This course will address evaluation and management of fractures and sports medicine injuries. Increased understanding of the basic biological and physiological responses of the musculoskeletal system of the multiple injured patient will be discussed.

Enrollment fee—$650
Residents—$400
